Virtual visit of the exhibition 'It's Our Story'

Client: Tempora / Musée de L'Europe

To model, create textures, lights and animate the different rooms along the visit of the exhibition.

To **create the appropriate atmosphere** in relation to the thematic of each room.

'It's Our History' is an exhibition explaining the **European history**, its **origin**, its **progressif unification**, ...

The visit goes on through various **thematic rooms**, such as: Cold War, Congo Decolonisation, daily life in western countries in the 60's, ...

The exhibition will be enhanced with **authentic objects** coming various museums across Europe.

'It's Our History' will present the **European adventure** over more than **half a century**.

The exhibition offers many **museographic means** in order to better understand the need of the European unification.

Numerous thematic rooms: Europe: Year '0', the European Revolution, the Cold War, Europe between Moscow and Washington, the fall of the Berlin wall, ...

The exhibition 'It's Our History' will be held at **'Tour & Taxi'** (Brussels) from **October 26th 2007 to March 23rd 2008.**

The **scenes** as well as the **interactive games** will 'drop' you in the European History.
